

# Promising a professional future

**The Graduate Program** by PAEW is a golden career opportunity for all Omani graduates holding bachelor's degree in Engineering or Administration to pursue a complete professional career under the supervision and training of PAEW.

This unique program gives graduates the opportunity to develop their skills for two years; prepare for a successful career and get hired at PAEW at the end of two years' training.

To register for the program, visit: [www.paew.gov.om/graduateprogram](http://www.paew.gov.om/graduateprogram)

المهينة العامة للكهرباء والمياه  
Public Authority for Electricity & Water
